Program Tuition: \$32,000 : \$533.34 per credit hour

John Patrick University
of Health and Applied Sciences

From the U.S. Bureau of Labor Statistics:

“MRI technologists specialize in the operation magnetic resonance imaging scanners. They interact and educate patients prior to scanning them. MRI technologists will work closely with the radiologist to ensure that the patient’s images provide the best information in the diagnosis of disease and injuries. MRI technologists are an integral part of the quality assurance of the imaging procedure”. 01/08/2022
